

2017 Day Care Information and Safety Statement of Understanding

Please read and sign this statement of understanding. It outlines special rules for the safety of your children and the proper use of our facility.

1. The Regular Daily Bowling rate with at least 24 hour advanced reservation is \$4.00 per child for 1 hour of bowling or \$6.00 per child for 2 hours of bowling Monday through Friday, 9:00am to 5:00pm. Intergalactic Glow-in-the-Dark is on Wednesdays only (during the summer). The walk-in rate for the Intergalactic Glow-in-the-Dark bowling on Wednesdays (during the summer only), is \$5.00 per child for 1 hour of bowling or \$7.00 per child for 2 hours of bowling. There is a minimum of 4 children per lane, maximum of 6 per lane. There is no charge for bowling shoes, if needed.
2. We want your group to experience our awesome glow-in-the-dark bowling. **Daycares/Pre-schools who reserve in advance will receive Glow Bowling at regular bowling rates of \$4.00 per child for 1 hour or \$6.00 per child for 2 hours of bowling.** Glow Bowling is on Wednesdays only (summer) from 1:00pm – 3:00pm. There is no charge for the use of shoes. The Daycare is responsible for collecting the total amount due and paying at the front desk as a group. We accept cash, checks, VISA/MasterCard, American Express and Discover cards.
3. The daycare/school/group leader is responsible for supervising the children. Youth must be supervised at all times in the game room, café and restrooms by chaperones or day care/preschool staff. Any youth who has been repeatedly asked to stop a specific behavior will be issued a Bowling Time Out or Lane Time Out. This is done for the safety of all youth bowlers. Disrespect toward any Holiday Lanes staff will not be tolerated and youth doing so will not be allowed to continue to bowl. Children cannot:
 - **Run in the center or horseplay**
 - **Go down the lane for any reason (past the black foul line)**
 - **Stick their heads or hands in the ball return nor sit on the ball return**
 - **Climb or stand on furniture**
 - **No foul or obscene language**
 - **No fighting**
3. When using bumpers, children may use only a 7 or 8 pound bowling ball. If they use anything heavier, the bumpers will be turned off. (Heavy bowling balls break the plastic supports on the bumper system.)
4. Youth are intrigued by the ball magically coming back in our automatic ball returns. Instruct your group that it is unsafe to retrieve a ball which appears to be stuck in the return or to put their hands in this area. If you see a member of your group playing around or on the ball return, instruct them not to do so to avoid possibly injury. Should a child's hand be caught in the ball return, the machine will automatically stop. Their hand should not be pulled or jerked out of the machine. Just keep the child calm as possible so center staff can remove it safely. Call our staff to assist you with any malfunction of the return.
5. Effective immediately, children are not allowed to wear only socks to bowl. Please make sure that your children wear tennis shoes on the day of the event. We will allow them to bowl in their tennis shoes. Please no sandals, flip-flops, or boots.
6. All food and drinks are to be kept on the upper concourse (carpeted areas) at the tables.
7. Food and drinks are not permitted in the game room area.
8. Food and drinks may be purchased in Striker's Café. No other food or drink including sack lunches may be brought into the center. A Day Care Menu Form can be found on our website. We can also fax or email a form to you. Please give us one (1) week advance notice if your group will be ordering from the café.

Thank you for helping us maintain the safety of your group and our center.
